## **Sho Clothes Now Carrying Draper Equine Therapy Products**

*Wellington, FL (February 5, 2010)* – Sho Clothes, an upscale dressage boutique in Wellington, specializes in the latest and most fashionable dressage apparel and equipment for horses. Sho Clothes is proud to announce that they are now carrying products from Draper Equine Therapy, makers of therapeutic products for horses and riders.

“The Draper products are wonderful and we are really pleased to be able to offer them to our customers,” said Michele Hundt, who co-owns Sho Clothes with Betsy Rebar Sell. “Draper products are extremely innovative, offering horses and riders therapeutic products that are proven to reduce pain, increase oxygen levels and help balance overall body temperature in the body. They truly are a breakthrough in the equestrian market, and we are thrilled to be able to offer the Draper products to our customers.”

Draper Equine Therapy products contain the innovative smart fiber Celliant™/Holofiber®, and the company produces saddle pads, indoor and outdoor blankets, anti-sweat sheets, bandages and wraps for horses. Draper products for riders include T-shirts, socks, blankets, joint support sleeves/wraps, and back belts. In addition, they offer a line of home therapy and spa products including sleep liners, eye pillows, shoulder wraps and blankets.

“We are thrilled that Sho Clothes will be carrying our products,” said Kat Wojtylak, Product Manager of Draper Equine Therapy. “We have a strong client base in South Florida and I am sure our clients will appreciate being able to drop by Sho Clothes to look at and purchase Draper products.”

Sho Clothes, located at 3220 Fairlane Farms Road in Wellington, has served the dressage community since 2001. “We love to support the dressage community, and that includes offering the latest in fashion and accessories to our clients,” Hundt said, adding that they also enjoy sponsoring dressage classes at the prestigious South Florida dressage shows.

Sho Clothes also hosts a monthly get together for dressage riders called “Shop Talk,” which has become a hot spot for riders to gather and learn from top professionals in the equine industry.
